India's first and still the only database dedicated to the primary capital market. Started in 1989 by Prithvi Haldea, PRIME continues to be the single source of comprehensive information on all capital market offerings including public issues, rights issues, debt private placements, overseas capital market offerings, takeover open offers, buyback offers, mutual fund IPOs and preferential equity issues.

For complete database of debt issuances, click here www.primedatabase.com

Arms investors with a self-defense tool to protect themselves from entities and individuals who have been indicted by regulators (like SEBI, RBI, MCA etc.), for an economic default and/or for non-compliance of laws/guidelines and/or who are no longer in the specific activity. Website sponsored and aided by Investor Education and Protection Fund, Ministry of Company Affairs, Government of India
